A whimsical, black-and-white line drawing of a busy airport terminal. In the center, a man with a large, round mustache and a top hat stands prominently. To his left, a woman with a large, bulbous nose and glasses looks on. To his right, a man with a large, round hat and a bow tie is visible. The background is filled with various airport-related scenes: a man with a large, round hat and a bow tie stands near a large, round object; a man with a large, round hat and a bow tie stands near a large, round object; a man with a large, round hat and a bow tie stands near a large, round object. The scene is filled with thought bubbles and circular frames, suggesting a dreamlike or surreal atmosphere.
